

SLC Teleconference Meeting

Wednesday, January 28th, 2004, 8:00 PM

PEER Annual Meeting (moderator: mike)

- Registration Complete
- Linda Nelson (lnelson@ucsd.edu) needs to make travel arrangements, such as airfare, ASAP
- Student Poster Session
- Student Session on Day 2
 - o Ashford making arrangements for Speaker
 - o Prime opportunity for SLC to make announcements:
 - Mike to briefly explain role of SLC
 - Jack and Case can demonstrate the Online SWOT
 - Seismic Competition Chairs can give a talk (even though 99% of the audience will be grad students, it will be good for the PEER community to be aware of this event)
- SLC to have meeting on Day 2, afternoon
- Dinner on day 2 with PEER officials, etc
- Nite on the town (Sat)
- Accommodations for SLC will be provided on Sat nite

Online SWOT (moderators: Jack, Case)

- Prototype Online at: <http://www.ecf.caltech.edu/cgi-bin/swot-test>
- Seems to work so far! Awesome

Website – (moderator: Case)

- Any suggestions for new material or changes
- Perhaps a new front page with some brief news and explanation of slc, with group picture.

SLC Funds (moderator: mike)

- Financial Update

Other Items (moderator: anyone!)

- Items not listed here

Seismic Design Competition Discussion (moderator: Dawn)

- This portion of the meeting (last agenda item) is for those involved with the comp
