1. **Announcements**  
   a. Seismic Design Competition was a huge success! Thanks to the co-chairs, Melissa & Jose and the organizing committee, Dongdong, Wassim, Ben, Won, Shin-Tai (Eddy), Tyler, and Dongyu. The competition was a hit at the 8th National Conference on Earthquake Engineering and you all did a great job.

2. **BIP Seminar Series**  
   a. There is money available for 2-3 more BIP seminars this summer; anyone interested in hosting one?

3. **Middle School Outreach Programs**  
   b. Are there any other existing programs at your universities that are good opportunities for the SLC to promote earthquake engineering?

4. **Officer updates**  
   a. Internet Chairs – Thanks to Christine for maintaining our great website! All photos, agendas, minutes, and other info now available online!  
   b. Secretary – Thanks to Hyung-Suk for preparing our meeting notes.  
   c. Historian – Thanks for documenting all of our recent events.  
   d. SWOT Chairs – Thanks to Case, Curt, and Tyler for administering the SWOT surveys and thanks to Curt analyzing the survey data for the annual report.  
   e. Industry Liaison – Thanks to Griffin for managing the BIP seminars.  
   f. Outreach Chair – Curt and Case, thanks for leading our outreach programs this year at Stanford and at Caltech.  
   g. Annual Retreat Co-Chairs – Eric & Vivian, thanks for organizing our retreat.  
   h. VP and Seismic Competition Co-Chairs – Thanks again to Wassim, Jose, and Melissa for organizing an amazing competition this year.
